

We have been providing quality calculators and office equipment for businesses and schools for over 35 years! We are an authorized educational dealer for both Texas Instruments and Casio calculators and accessories. We offer a solid line of all types of calculators and supplies from Sharp, Texas Instruments and Casio. We also sell specialized Calculated Industries calculators for construction, real estate and hobbyists.

Become a wholesale partner! Perfect for office supply stores and retailers looking to offer profitable calculators and business supplies. We carry products ranging from [Texas Instruments](#) and [Casio Calculators](#) to [Sharp Electronics](#) and other office supplies.
