### Math at Your Fingertips with the TI-10

\$10.00

ISBN:  
1-886309-55-8

Author:  
Valerie Johse

Products:  
TI-10

Subject:  
Elementary Mathematics

Grade:  
PreK - 5

Â

The seventeen activities in this book are specifically designed for students in the primary grades to use with the TI-10. The use of this technology allows students to explore and use a higher level of mathematics on activities that address problem solving, reasoning and proof, communication, connections, and representation.
